UNIVERSAL ORLANDO RESORT™

Everything is Upside Down.

For the first time ever, Universal Studios Hollywood, Universal Orlando Resort and Universal Studios Singapore are partnering with Netflix to bring "Stranger Things" to life at this year's Halloween Horror Nights™ events. Fans of the series will get the chance to brave the Upside Down and confront the supernatural as each park debuts all-new houses inspired by season one of the critically-acclaimed series.

Working collaboratively with Netflix, along with the creators and executive producer of the blockbuster series—Matt Duffer, Ross Duffer, and Shawn Levy, the houses at Universal Studios Hollywood, Universal Orlando Resort, and Universal Studios Singapore will be authentic representations of "Stranger Things," designed to transport guests into artfully recreated scenes and storylines. From the menacing Hawkins National Laboratory, under the U.S. Department of Energy, to the Byers home adorned with an erratic display of flashing Christmas lights, and the eerie Upside Down woods oozing a shower of floating orb-like spores, the chilling new houses will offer surprising twists and unexpected turns around every corner.

For exclusive video and more on this strange happening, check out the **blog at blog.universalorlando.com** and stay tuned for more scary details on this year's Halloween Horror Nights!

Universal Education Center Offers Students Work-to-School Program

Do you know a high school student (age 16 years or older) who may want to find a different track towards graduation and would benefit from a work-to-school program with a smaller class setting?

The Universal Education Center (UEC) was established in 1994 and is a partnership between Orange County Public Schools (OCPS) and Universal Orlando Resort. The school is located right here, on property in T-64! This program is designed for students interested in a different approach to the traditional high school setting. Each student enrolled at the UEC has the opportunity to work a minimum of 15 hours per week and attend classes for 15 hours per week. Each student is a assigned a mentor who also works at Universal Orlando to help support and guide them to graduation. They receive a daily schedule and lessons from OCPS teachers on property.

If you or some one you know may benefit from this program, please call 407-318-3150 ext: **6382234** or **407-224-6634.**

Interested in becoming a mentor?

By becoming a mentor, you can make an immense difference in a young student's life and continue to help grow their confidence and professionalism on the road to graduation! Mentors are expected to meet with their mentees for a minimum of one hour per week, and are eligible to receive volunteer hours for their time as a mentor. If you would like to find out more about being a UEC Mentor please contact: **Maria Akinwolere** at **407-224-6690 or Maria.Akinwolere@universalorlando.com.** *Mentorships are available for exempt Team Members only.*

PARKING DURING GRAD BASH APRIL 20, 27, & 28

Parking and Security will be actively directing Team Members to specific parking spots, **Team Members will not be able to select their own parking space.**

- Team Members who will leave work before 3:30pm or 6:00pm on event days will be directed to park in specific areas of the open-air sections of the parking lot (see image). **Vehicles WILL BE TOWED if they remain in these spaces past the 3:30pm or 6:00pm cutoff times.** Team Members who will leave work after 6:00pm will be directed to the TeamPark garage.
- Parking for motorcycles, TeamCare, BRAVO winners, and most Disabled parking spots **will not be impacted** and will remain open all day long.
- Team Member pick-up and drop-off will move to the front of B-110 **starting at 3:30pm.**
- During event departures, Team Members who need to access TeamPark will need to exit via the B-110 lobby and **use the bridge to enter the garage.** This typically occurs starting at 1:00am and is necessary to keep Team Members safely separated from bus traffic.
- **Team Members may be asked to park at an alternate location** if Team Member parking areas reach capacity. Should this occur, a shuttle will provide transport.
- As a reminder, all Team Members who are assigned to park in the main CityWalk parking garage **should park on level 2 in the North garage.** Signage will be direct Team Members to this garage and level. **Team Members should not park on level 1 unless level 2 is full** and you are directed to park on level 1 by the Parking team, Security team, or signage.
- Team Members should **allow an additional 30 minutes whether coming into or leaving work** as new traffic patterns and exiting buses can cause delays.
- **After 3:00pm**, only the Turkey Lake entrance will be open for Team Members to enter.

Around Our Universe

ON THE PANEL

Peer Review Panelists Wanted

Peer Review is part of Universal Orlando's Open Door Plus appeal policy, and now you could become a part of it by applying to be a Peer Review Panel member.

When Team Members want to appeal a disciplinary demotion, suspension, or termination, they can ask for a review by either the senior member of their division or by the Peer Review Panel. Each Peer Review Panel consists of five members – three hourly Team Members and two salaried Team Members.

The Panel's role is not to change policy, but rather to determine if the policy was administered fairly and consistently. By majority vote, the Panel issues a decision binding on both the company and the Team Member. They may decide to uphold the discipline, to reinstate the Team Member with full back pay, or they may settle on something in between. Panel members are paid their regular rate of pay during the hearing.

Training sessions will be conducted in May to add new members to the panelist pool. In order to qualify for selection, you must be a regular or casual Team Member, have at least one year of service, and have a positive work record. **If you would like to become a part of this Open Door Plus program and be considered for a training opportunity you may download a panelist application from** UOTeam.com.

Please fill out the application with your Manager's signature of approval and return to Team Member Services by Monday, April 30. (Forms may also be sent via interoffice mail to **Ray Wellman**, Director of Human Resources). If selected to participate, you will be notified with additional details.

Review Your Tax Withholding Status

Earlier this year, payroll tax tables were updated based on Tax Reform legislation. As a result, it is suggested that all Team Members review their withholding status and update their Form W-4 if applicable.

To help determine your withholding, the IRS has revised their withholding tax calculator, which is available at **www.IRS.gov/W4App**. This calculator can help identify your tax withholding to make sure you have the right amount of taxes withheld from your paycheck each week. The IRS has other notes and information that may be helpful in estimating your withholding and tax. Please consult your personal tax advisor with any questions specific to your individual tax situation.
